Parent and Child Aquatics

Children 6 months to 3 years of age and their parents participate in the guided practice sessions that help children learn elementary skills.

Preschool Program

Four and Five year olds learn basic water skills without parent in the water with them. Safety skills are stressed and classes provide guided independent learning.

Learn-To-Swim

Beginning at 5 years old, children can participate in five levels of stroke development and water safety instruction. Advanced classes teach competitive swimming and basic lifeguard knowledge.
